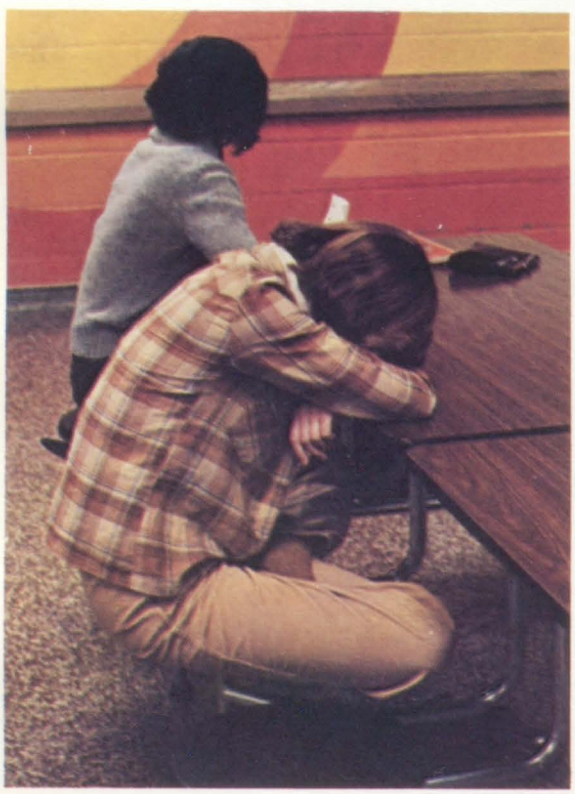
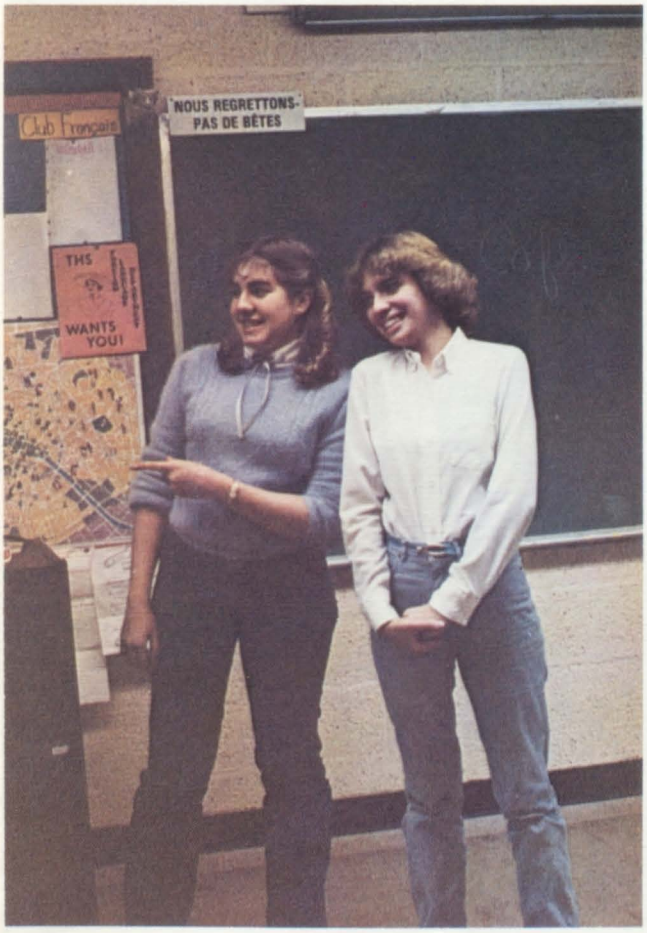
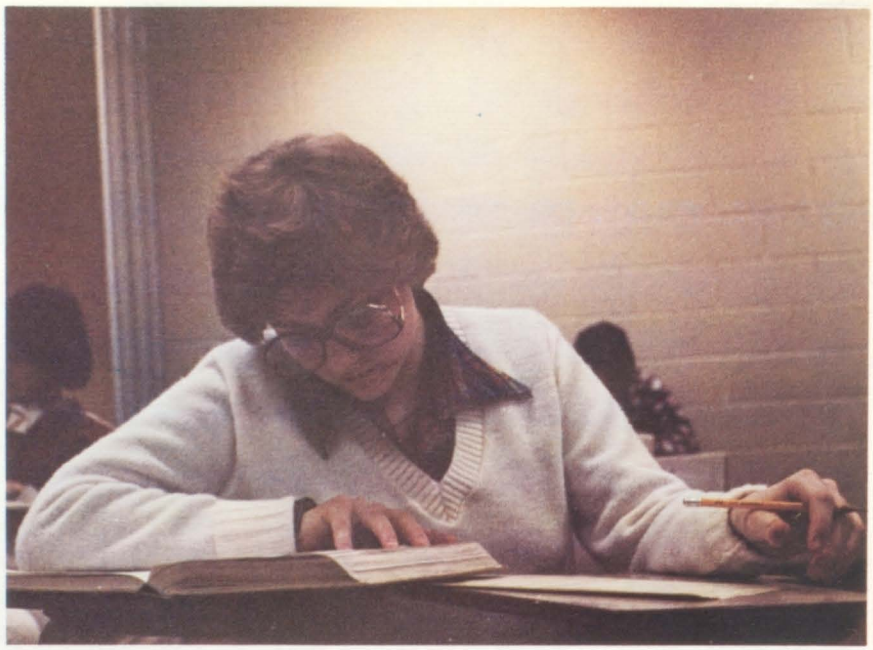
Sometimes the days are long
And the breaks are far too few;

Daydreams pass the time away —
Boredom joins in, too.

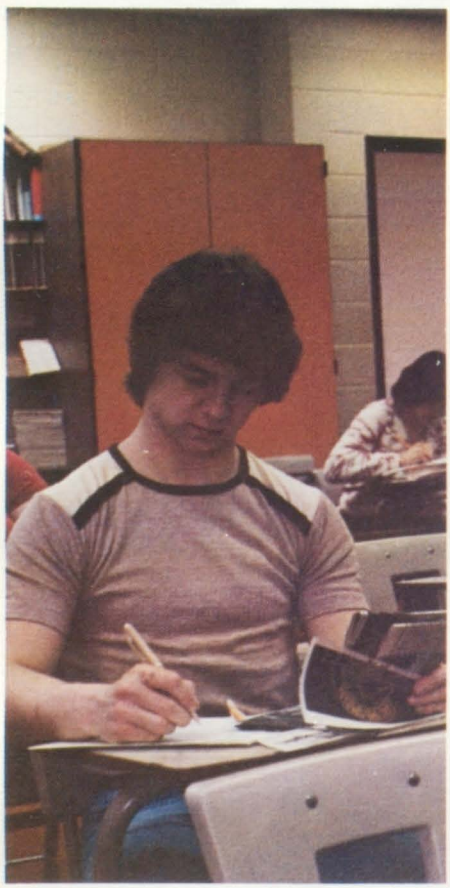


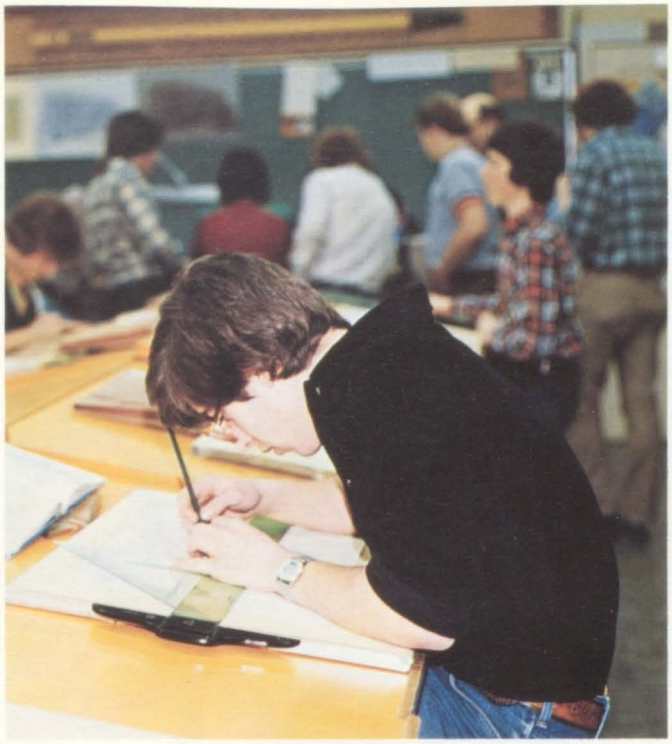


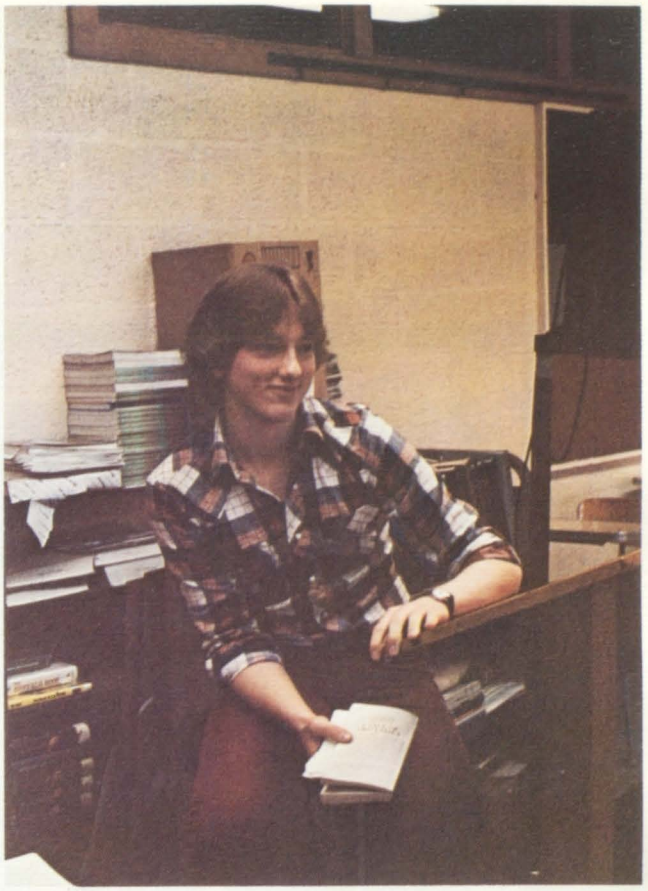
The problems we encounter
Are sometimes hard to face;



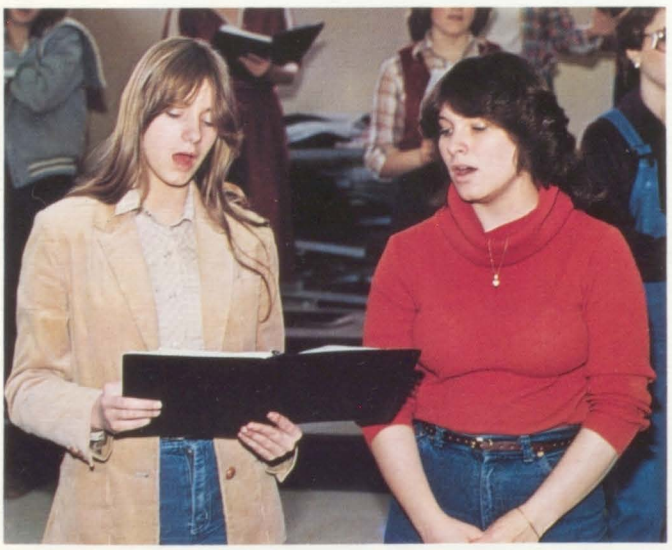
The struggle is never-
ending,
Of putting our thoughts
in place.







But after a moment of reflection
During Emerson and Thoreau,

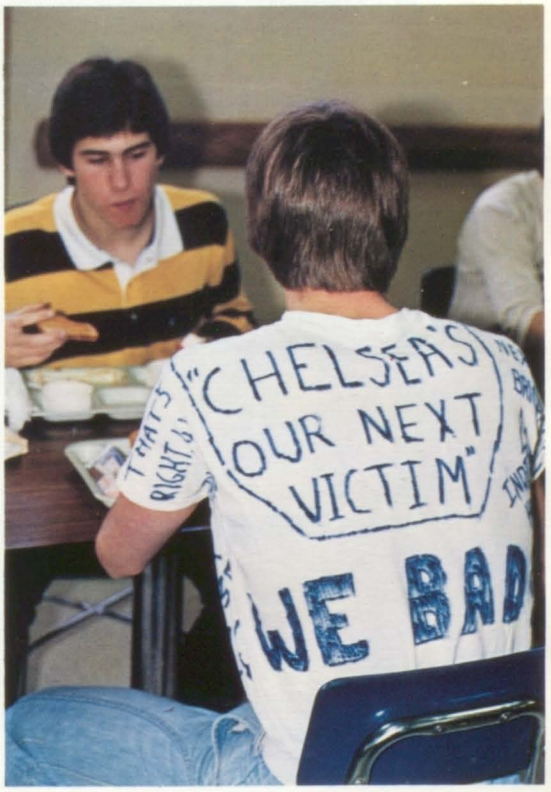


Good times are remembered
Of not so long ago.

Good friends and new experiences,
Secrets and knowing smiles;

Laughing and sharing together,
Make it all seem worth the while.

The excitement of our high school
days,
Will very soon be gone;



For now we're living day by day,
Happy to be "hangin' on."

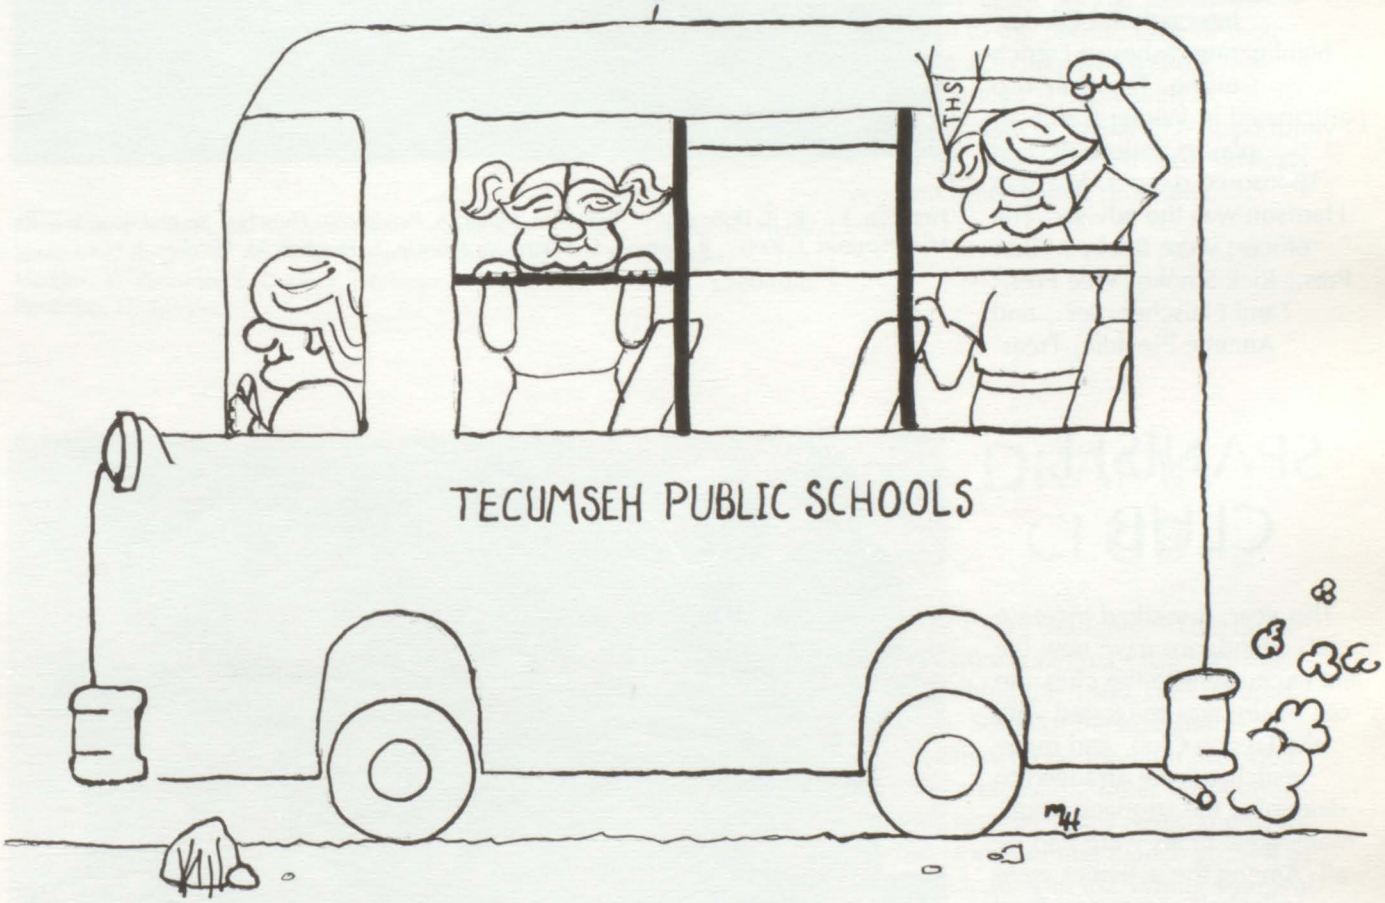
Activities & Clubs



FRENCH CLUB

Bonjour! Parlez-vous francais? If the answer is "Oui," then you should have joined the French Club. Although the club could not make it to France for their meetings, they tried to incorporate some French culture into each one. They visited the Toledo Art Museum to see the French Art. During Foreign Language Week, they held an International Dinner, highlighting dishes of French Cuisine. The club also participated in Winter Carnival, played volleyball, and sponsored dances. Miss Jan Harrison was the adviser. The officers were Becky Miller, Pres.; Rick Smoke, Vice Pres.; Tami Fleischer, Sec.; and Annette Pinvidic, Treas.

SPANISH CLUB

This year, a marked increase in club attendance gave new life and excitement to the club. An old rivalry was re-ignited with the French Club, and many matches were arranged to determine the stronger group. Many great times were had by all. Among the activities were volleyball games and fund raising projects. They also made Homecoming favors for the Homecoming Dance. The officers were Shelly Robinson, Pres.; Diane Craig, Vice Pres.; Martha Holmes, Sec.; Kris Furstenburg, Treas.; Lisa Craig, Pt. Chr.; Deb Poley, Hist.; and Sra. Luz Coba, Adviser.

The Modern Dance Club has always been an energetic and active group. Under the direction of JoAnn Cooley, they met weekly. Being in the Dance Club was a way to learn how to dance as well as to provide a good opportunity to perform. They participated in the Talent Show, Winter Carnival, and at halftimes of basketball games. They also held a dance in the spring, which was open to the public. One of their extra activities was touring the elementary schools with performances. When the opportunity arose, they attended area musicals and other dance programs.

Most of the Drama Club crew were interested in theatrical careers. The officers were Heather Beatty, Pres.; Mark Storms, Vice Prs.; Annie Sommermeyer, Sec.; and Jeannie Johnstone, Treas. The adviser was Nancy Kinnard.

PEP CLUB

The Pep Club was a very active group during the 1980-81 school year. They created spirit and pep for the various athletic teams, and for the student body as a whole. FOREIGN EXCHANGE STUDENTS

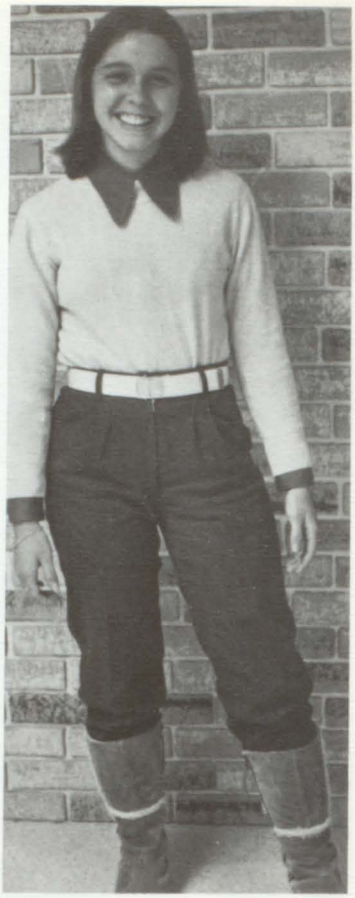
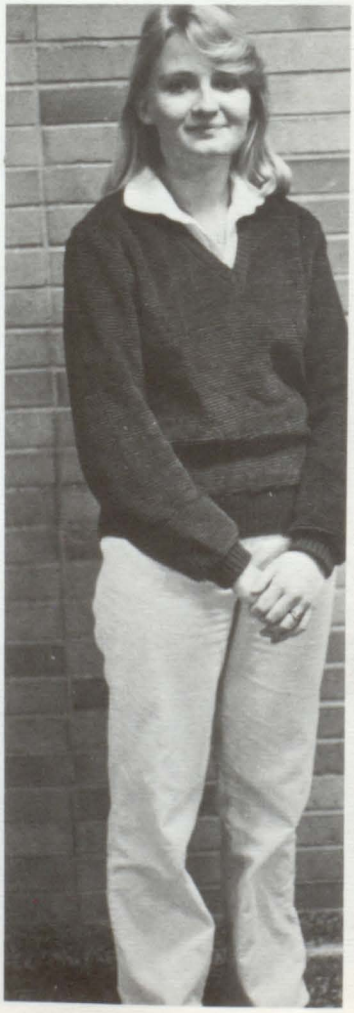
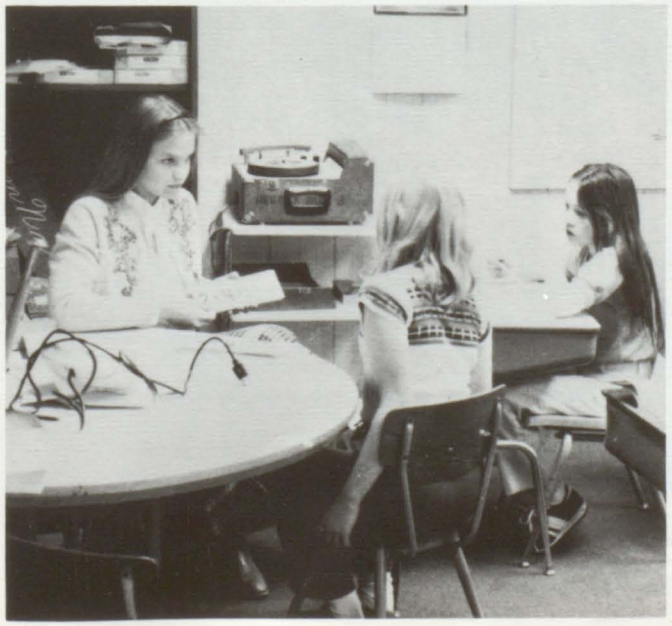
From around the world came our foreign exchange students. There were Juliane Goncalves from Brazil, Terhi Vuorinen from Finland, and Roderigo Delva from Belgium. We welcomed two of them at the first of our school year, and one of them at the beginning of the second semester. Juliane, who said America was completely different from Brazil, liked it here. She was a Junior and enjoyed reading, Algebra II, and going to the beach when she is home in Brazil. She stayed with the Anderson's while here. Terhi, who said school is much different in Finland, lived with the Meni's. Her favorite class was English, and in her spare time she studied, played the piano, and danced. She was a Senior, and studied English 8 years before coming here. Roderigo was a junior and he lived with the Fleischers. When in Belgium, he went to school from 5:00 PM to 8:00 AM. His favorite class was Woodshop and he also liked to play Soccer. We hope your stay at T.H.S. was something to remember.





CROSS AGE TUTORING

The Cross Age Tutoring program was established to help children in the elementary schools. Tutors from the high school worked with these children. They helped kids to read, write, and deal with their problems. The tutors also helped teachers with projects, bulletin boards, and other classroom assignments. Journals were kept of their daily activities, and were collected at the end of each marking period by their adviser Mrs. Carla Sutherland. Every third hour sixteen tutors travelled to the elementary schools. "We deal with problems of the everyday teaching world," said one of the tutors.



SHOOTING STARS, STAGE BAND, PEP BAND, CHORUS

Do you know what a woodwind or a percussion instrument is? Well, if you were in the Shooting Stars or Stage Band or participated in Pep Band, then you are probably well-acquainted with these musical instruments. THS's marching band, the Shooting Stars, practiced two nights a week for three hours during their season. They also went to a summer camp for a week and worked for thirteen hours a day. The Stage Band practiced during class time and performed one hundred and fifty pieces of music. Mr. James Rice was the director of both groups and also of Chorus. Pep Band entertains and enthuses the crowds at basketball games and pep rallies. The THS Choir was composed of sixty-three voices under the direction of Jimmie Rice. They not only performed for the schools, but also for the public. The job of the choir was to delight their audiences and they did a good job of it.

INDUSTRIAL ART SHOW

The 20th annual Industrial Show was held May 14 and 15 1981 in the high school gym. Entries from such classes as Art, Shop, Drafting, Home Ec and more made the show enjoyable. Model houses were contributed from drafting which gave the show a sneak preview of the future design of the home building industry. Home Ec contributed such things as delicious looking cakes and pies, with a few items of clothing also displayed. Finely built pieces of wooden furniture were a large part of the show, they were contributed by the wood working class. All in all, this year's show was a big success and it was enjoyed by everyone.

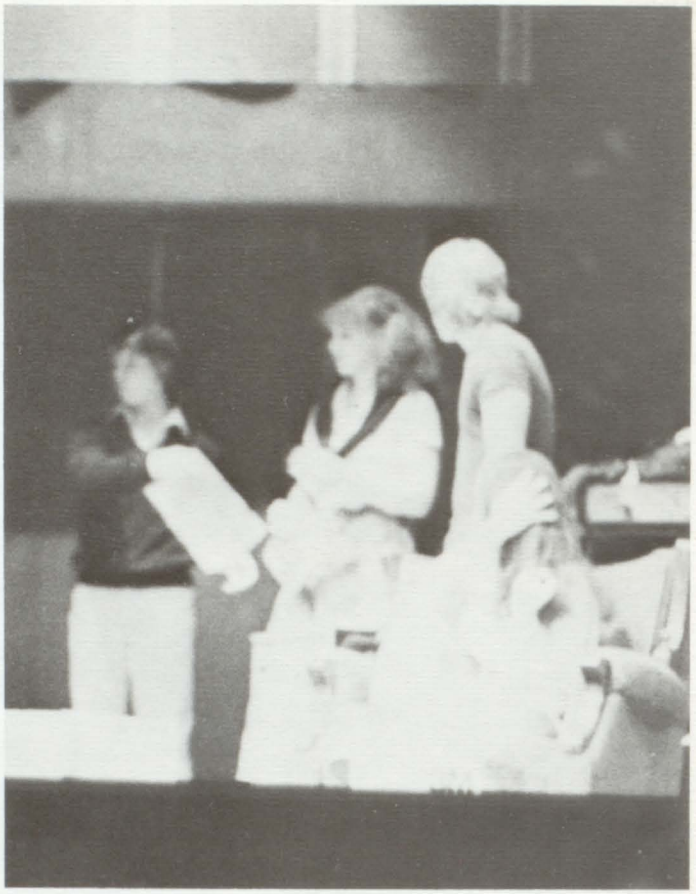
FALL PLAY

The Fall play, "The People Versus Maxine Lowe," was presented November 20, 21, and 22, 1980, at the Glass Room in the Community Center by the Play Production class. The setting of the play was a Superior Court in Illinois. Maxine Lowe, played by Jeannie Johnstone, had been charged with murder. Warren Cass, the Attorney for the State played by Mark Storms, tried to prove that Maxine was guilty while a new, young attorney for the defendant, James Hathaway played by Scott Betzoldt, tried to prove her innocence. With testimonies from many witnesses, the court and jury finally arrived at the truth. To the surprise of everyone, Jesselyn Meredith, also a young attorney but on the State's side, turned out to be the daughter of Maxine. Thus, she switched sides and helped to prove her mother's innocence. The play was a great success and extremely exciting. As one viewer said, "It was intriguing!" The adviser was Mrs. Kinnard.



SPRING PLAY

"Very professionally done," one observer exclaimed, and that was true. The 1981 Spring Play was a big success. The play, entitled "George Washington Slept Here," combined the excitement of drama with some comic relief added in. The play was put on by the Acting and Play Production Class. It was the first to perform in the new Civic Auditorium. The scenery displayed a great deal of hard work and dedication. Keeping in step with everything, the actors and actresses performed well. The cast included Mark Storms, Malissa Becker, Mike Storms, Kecia Maynard, Chris Carpenter, Donnie Ringman, Mike Heaton, Nancy Elwartowski, Nancy Preble, Kathy Weber, Ann Sommermeyer, Tim Walsh, Debbie Spagnoli, Wendy Schierer, Susan Compton, Bob Valdez, and Rick Coscarelli. The director was Mrs. Nancy Kinnard.

STUDENT COUNCIL

Some of the most enjoyable events of this past year were put on by the Student Council. Throughout the year they sponsored the Homecoming Dance, the Winter Carnival, Valentine Flower Sales, the canned food drive, and many others. The Student Council's purpose was to gather representatives from each class in order to keep their needs out in the open. Representatives were chosen by their own classmates so that everyone was satisfied. The Student Council provided a perfect opportunity for students to become active in a mock political organization. The council has been very important in the running of our school, and has been much appreciated.

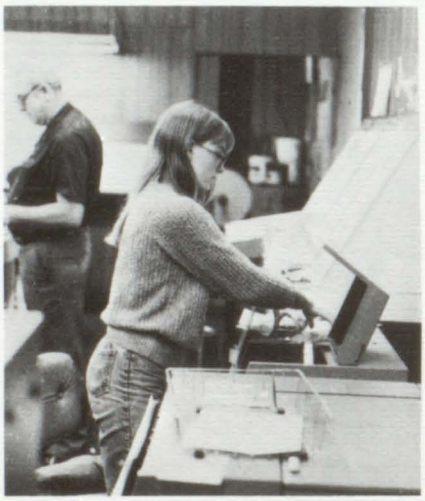
The officers were Andy Eidson, Pres.; Dan Keller, V.P.; Lisa Bowers, Sec.; Lynda Sprague, Treas.; Beth Comfort and Mark Storms, School Brd. Rep.; and Mr. Donald Brazee, Adviser.

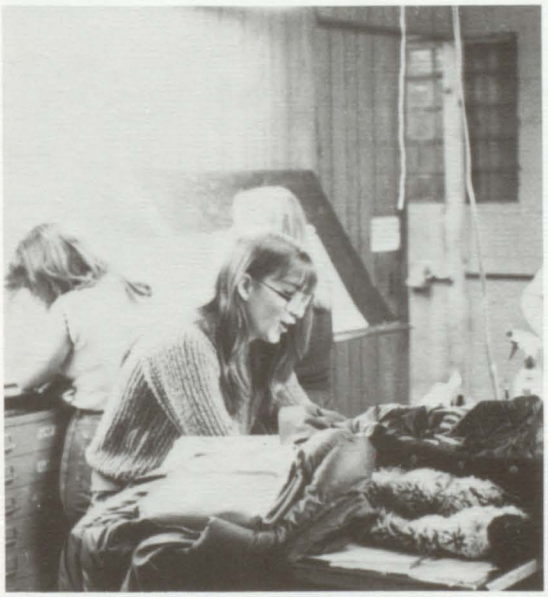
STUDENT TEACHER

This year T.H.S. had only one student teacher, Daniel Robinson, who was a student at Eastern Michigan University. He worked with Mrs. Pobuda in the Orthopedics room, more properly called the P.O.H.I. department. (Physically or Otherwise Health Impaired). "This, Mr. Robinson explained, is for children who for some reason or another cannot be in a regular classroom all day." Mr. Robinson is originally from Fenton, Michigan, a town about the same size as Tecumseh, so he felt quite at home here from January until June 1981. Deciding to go into a field of Special Education was not a difficult task because he had worked with emotionally disturbed kids before. He really enjoyed being involved in the Special Education Department during his semester here at T.H.S.

ORANGE SPIRAL

The Orange Spiral Staff has ended another fine year of journalism. The students' main purpose was to provide you, the students and faculty of T.H.S. with the best possible coverage of school related activities. They annually cover the Winter Carnival, Homecoming, and Christmas events. Their special story this year was the 1980 Presidential Election. This year fourteen issues of the Orange Spiral were published. The staff included Beth Comfort, Editor; Wendy Carter, News Editor; Tony Forsthoefel, Sports Editor, Lauri Hill, Business Manager; and Mrs. Jody Stevens, Adviser.





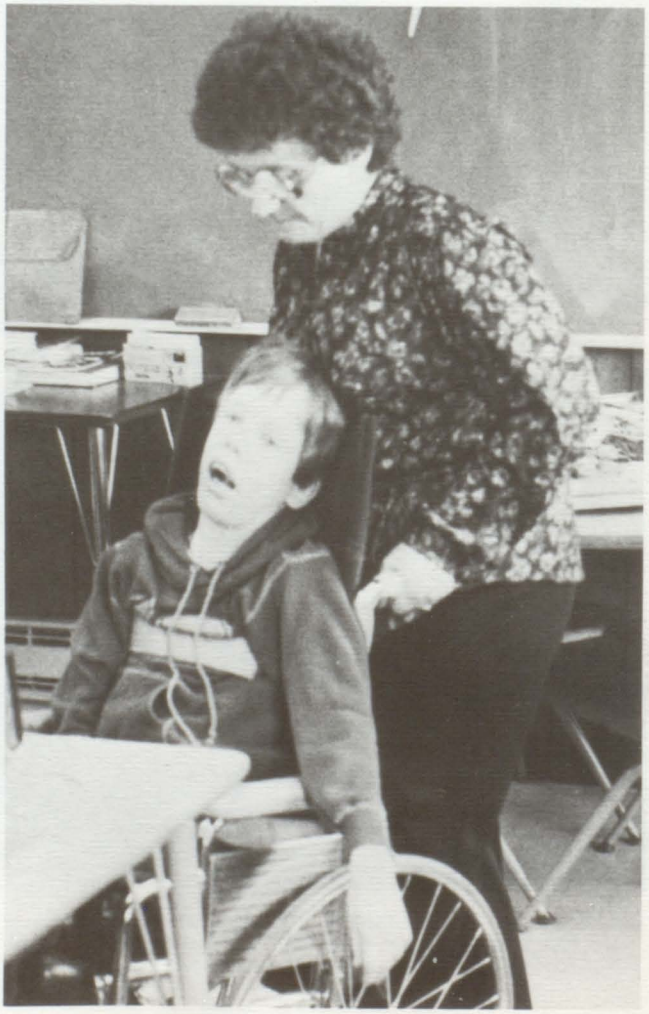
MICHIGAN

ANNUAL STAFF

"What a way to end the day!" This snappy statement was made by one 1980 Yearbook member. This correctly summed up the feelings of many of the Annual Staff members as they attempted to capture as many high school memories as possible. This involved taking pictures, designing layouts, writing copy, and putting forth constant effort in order to make the book great. The staffers had to be good salespeople, for they had to sell ads as well as their superb yearbooks. The Yearbook's adviser was Mrs. Jody Stevens.

SPECIAL ED

Mrs. Pobuda is in charge of the P.O.H.I. (physically or health impaired) students at T.H.S. She had ten students from around the county. The students had speech, physical, and occupational therapy during the week. Mrs. Noe supervised the students with hearing impairments. She taught them Language, Social Studies, Reading, Speech, and Math. A speech teacher also worked with them. The educable educationally impaired students were supervised by Mr. Herman. All the students were mainstreamed into regular educational classes according to their emotional, social, and intellectual abilities while receiving some of their academic subjects in the resource room. All deserved credit for their many accomplishments.



VO-TECH

The Lenawee Vocational Center provides students with the basic skills and knowledge they need for future occupational pursuits. VO-Tech gives students the chance to meet new people and at the same time study deeper into their chosen fields. Some of the classes offered involve electronics, health, drafting, and business, just to name a few. While attending VO-Tech, the second year student may experience Co-op. In Co-op the student has a written contract with his employer. Then he is paid wages by the employer, and also receives high school credit. Vo-Tech is offered to Juniors and Seniors. Most find it a great experience.

GIRLS' STATE

Girls' State was held this year at Central Michigan University in Mt. Pleasant, Michigan. There were four girls selected from our school to attend this week long event. They were Diane Craig, Dawn Fleischer, Wendy Carter, and Martha Holmes. Girls' State was held from June 13-June 21, 1981. At Girls' State mock state government was implemented, with all of the girls participating in part of her own community's affairs. There were many meetings with guest speakers from Lansing who talked about governmental affairs. The local American Legion sponsored the Girls' Staters who had much fun while learning a great deal about government.

L. to R.; Wendy Carter, Diane Craig, Dawn Eleischer, Martha Holmes.

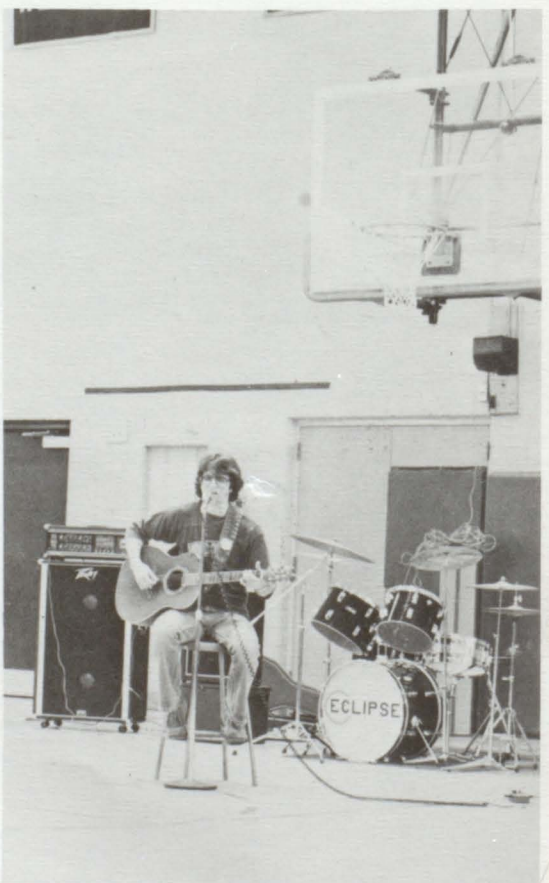
L. to R.; Lee Prettyman, Rex Robinson, Mike Heaton, John McKowen, Ken Kurzyniec.

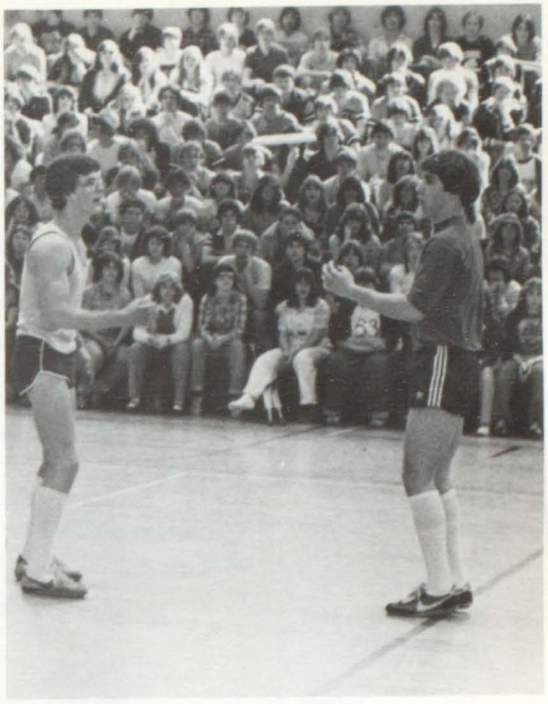
BOYS' STATE

There were 6 Junior boys selected this year to attend the 1981 American Legion Wolverine Boy's State. They were Mike Heaton, Rex Robinson, Jeff Korte, Lee Prettyman, John McKowen, and Ken Kurzyniec. It was held June 17-24, 1981 in East Lansing, on the campus of Michigan State University. Several imaginary cities and countries were combined to form a mock state where the boys operated the government, and in doing so learned how government is constructed and then carried out.

TALENT SHOW

An abundance of talent hit Tecumseh High School on April 15, during the annual Talent Show. Students displayed their skills in dancing, singing, and even frisbee throwing! They did an excellent job, and the audience should be commended for being so enthusiastic! Taking third place in the competition was Suzie Randolph with an energetic tap dance routine. Second place was awarded to the Tecumseh Dance Workshop who performed beautifully. First place was no surprise. It went to "Collaboration of Talent," an excellent band consisting of John Bisceglia — bass and electric guitar, Todd Bagdon — drums, Pete Vavernick — keyboards, and Phil Otter — lead vocals. A standing ovation and cries of "More, more!" from the audience were enough evidence of this band's talent. They were terrific! Congratulations to all who were involved and a special thanks to the audience for their appreciation of talent.





AWARDS NIGHT

The Sixth Annual Awards Night Program was presented to the public on Tuesday, May 19, 1981, in the newly built Civic Auditorium. This event commenced at 7:30 p.m. and finished at approximately 9:00 p.m. This program has been held each year to honor students who display superior effort in specific courses. It was up to the individual teacher to determine who would be honored with an award. Seniors also were presented special awards for having maintained a Grade Point Average of 3.0 or better. The two class valedictorians, Lisa Bowers and Eric Bakus of the class of 1981 achieved a perfect 4.0 average. Mr. Fred Herman was the master of ceremonies for the evening, while the Stage Band provided the musical entertainment. Mr. Stevens again successfully chaired this event.

TEACHER OF THE YEAR

The 1981 Teacher of the Year was chosen with the following four criteria considered:

1) General attitude
2) Teacher-student relationship
3) Knowledge and preparation in subject area
4) Extra-curricular activities

This year's Teacher of the Year was Mrs. Karla Sutherland. She has been on the T.H.S. staff for 13 years and earned a B.A. in Business Education. Mrs. Sutherland was raised in Blissfield on a farm with a brother and a sister. Shortly after graduation from E.M.U., she married, and after nine years was divorced. Mrs. Sutherland now lives in Palmyra. Her ties to her family are still strong and she is active in her church youth group in Blissfield. Her sister is a coach in Whiteford, MI., and they share a summer cottage. Her brother is in the lumber business. Mrs. Sutherland enjoys snowmobiling with her nephew Jason, and in the summer she plays tennis. She also makes quilts in her spare time. Karla has made teaching her life and we hope she will continue to teach for many years to come. Thank-you for caring for us, helping us and always being there!

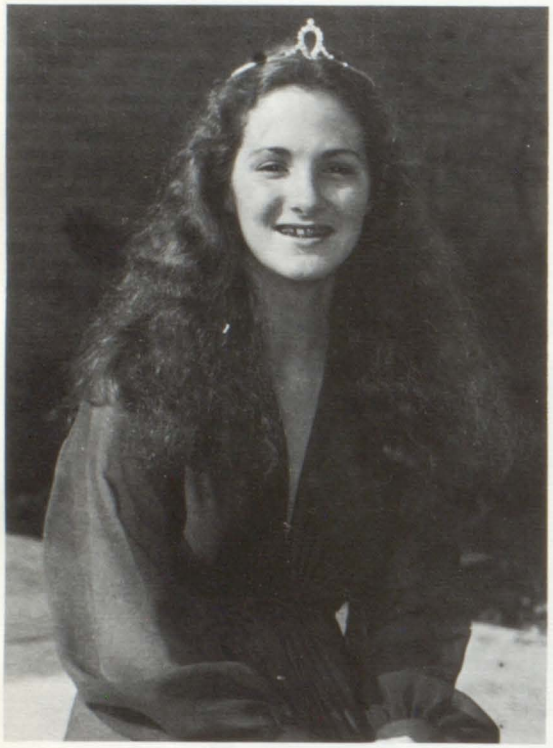
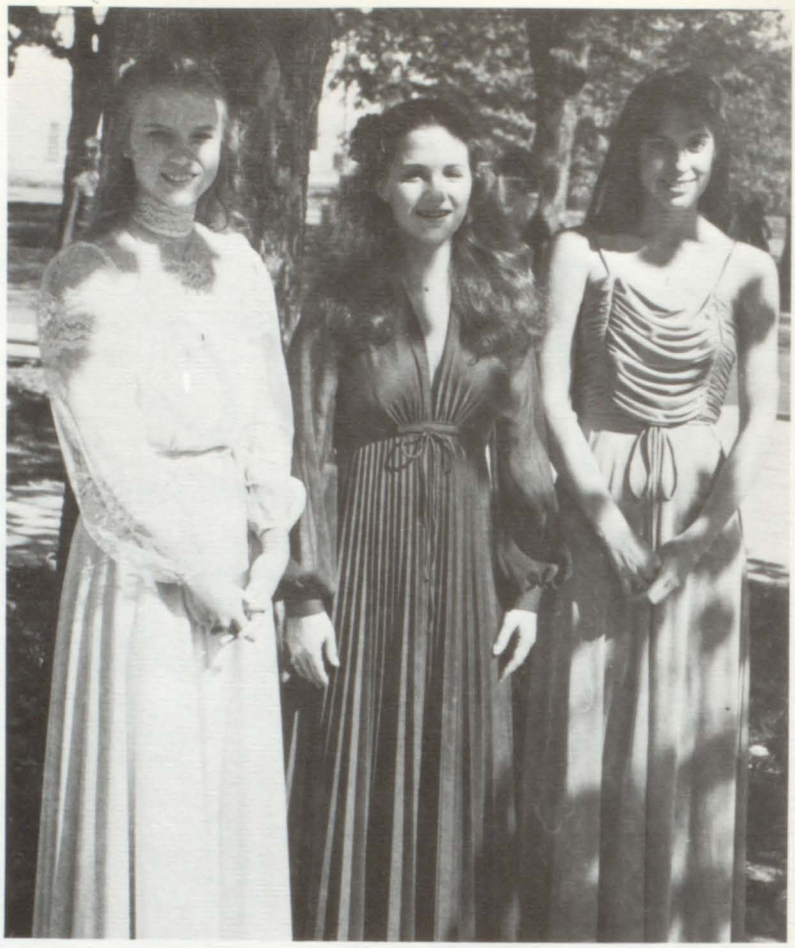
HOMECOMING '80





"It was terrific! The best Homecoming ever!" This was the general thought of Tecumseh High's student body after the October 10, 1980 Homecoming. This year's celebration *was* great! It was a beautiful day, and spirits were high. Events started with a pep rally that shook the town; it was enjoyed by all, and the noise was unbelieveable! The Sophomores captured this year's Spirit Award. Walt Disney characters was the Homecoming theme, and it was carried out to the "T"! The floats were constructed with much imagination and color; the Seniors won first place with Pete's Dragon. But what was Homecoming all about, anyhow? The football game, of course, and what a game it was. The Indians played a great game, beating Erie Mason 23-6. This year's Homecoming Queen was Lynda Sprague; her court was Lynne Shroup and Lori Seal. Junior Rep was Lori Fasbender, Sophomore Rep was Sherri Svestka, and Freshman Rep was Tami Schneck. The occasion was a total success; no wonder Homecoming is an event everyone loves.

SHOOT YOURSELF

The 1980-81 Annual Staff presented an idea called "Shoot Yourself." It was an opportunity for all T.H.S. students to get a picture of themselves and maybe be in the yearbook. The total number of people and location of the shot depended totally you the customer. This took place around the end of March and beginning of April. The cost of each print was 25¢ which was well worth it. So next year instead of complaining of not having any pictures of yourself, get on the ball and get out your piggy bank. Remember a memory lingers on, but a picture lasts forever.

WINTER CARNIVAL

This year's Winter Carnival was a big success! The whole school got involved to make it fun for everyone in the community. The activities ranged from dancing to being thrown in jail. There were many game booths to test skills and luck, and booths to let you try foreign cooking, and even a "make-it-yourself-button" booth. The Carnival was held in the gym and cafeteria on Feb. 28th. Many Thanks to all those involved in making the 1981 Winter Carnival an enjoyable and rewarding one.

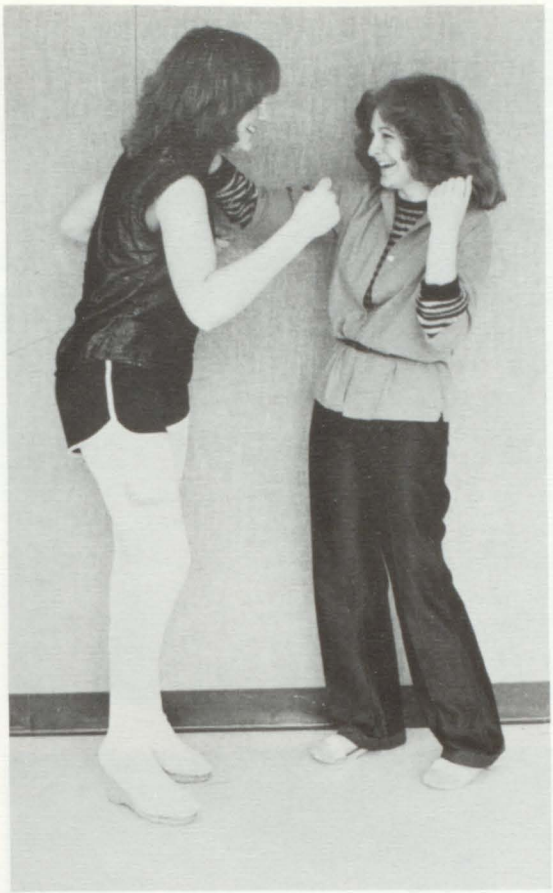
SPONGE WEEK

Sponge week at T.H.S. this year was held from March 30 through April 3. Many people dressed up and the halls were filled with wild costumes. One of the highlights was the Sadie Hawkins Dance, which was a success with each girl escorting the guy of her choice. Another was 50's/60's Day, with many adorned in bobby socks, poodle skirts, and rolled-up Levi's; it was a day straight out of the history books! The rest of the week included Pin Day, Punk/Preppy Day, College T-Shirt Day, and Class Color Day.



Junior/Senior Prom

The Junior/Senior Prom was held on the beautifully warm and pleasant night of May 16, 1981, from 8:00 p.m. until 12:00 a.m. in Ledwidge Hall at Siena Heights College in Adrian. The prom was sponsored by the Class of 1982. Music was provided by the Family Portrait, and the theme of the prom was Without Your Love. The reigning King and Queen of the Prom were Scott Betzoldt and Lynne Shroup. Everyone who attended this elegant affair had a great deal of fun.

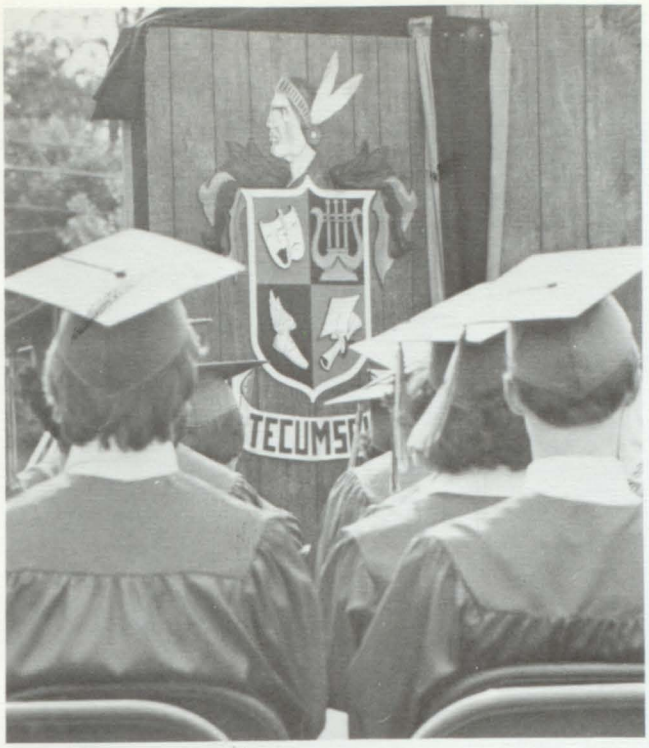
The Tecumseh High School Commencement took place at Indian Stadium on June 7, 1981 at 4:00. The guest speaker, Dr. Joan Stark, Dean of Education at the University of Michigan, addressed the 240 graduates. The women wore white caps and gowns and the men were dressed in maroon. The men wore boutineers made of minuet roses. The women wore coursages of the same flower which accented their radiant smiles.



TECUMSEH

CLASS OF

CLASS NIGHT

The Senior Class presented Class Night on May 22, 1981, in the High School gym at 8:00 p.m. The emcees were Scott Betzoldt, Teresa Dangler, Jeannie Johnstone, and Mark Storms. Keith Beasley led the class into the gym playing "When the Saints Come Marching In," on the trumpet. This tempo kept up all during the show. There were many exciting and creative acts performed. They were Moving Right Along, I'm With You, Hard to be Humble (a typical lunch hour in the Faculty Lounge), Wild West '81, Celebration, and Yesterday. The Funny Awards were also presented to outstanding Seniors with special characteristics. Also, the President of the Class of '81, Ben Binder, presented the Class Key to Lori Fasbender, the President of the Class of '82. At the end of the show, Nora Fisher sang the Class Song "Imagine," by John Lennon while slides were shown of the Seniors. This show was really something special and surely it will stand as one of the best shows ever.

In Memory of . . .

A HUMAN IS . . .

A human is someone who forgets your mistakes and believes in you as a person, someone who recognizes love — reaches out and touches it, feels it, and worships it, as something wonderful. A human is and ideal of what we want to be; to be; a sculpture of life, a picture of love. A human is a very special person who joys in the thought of giving and caring. A human is a gentle hand, to help us through hard times; a seed of a flower, the wings of a butterfly, the white of a cloud, to make it simple, a human is *you*.

CLASS POEM

Don Brazee
Class of 1943

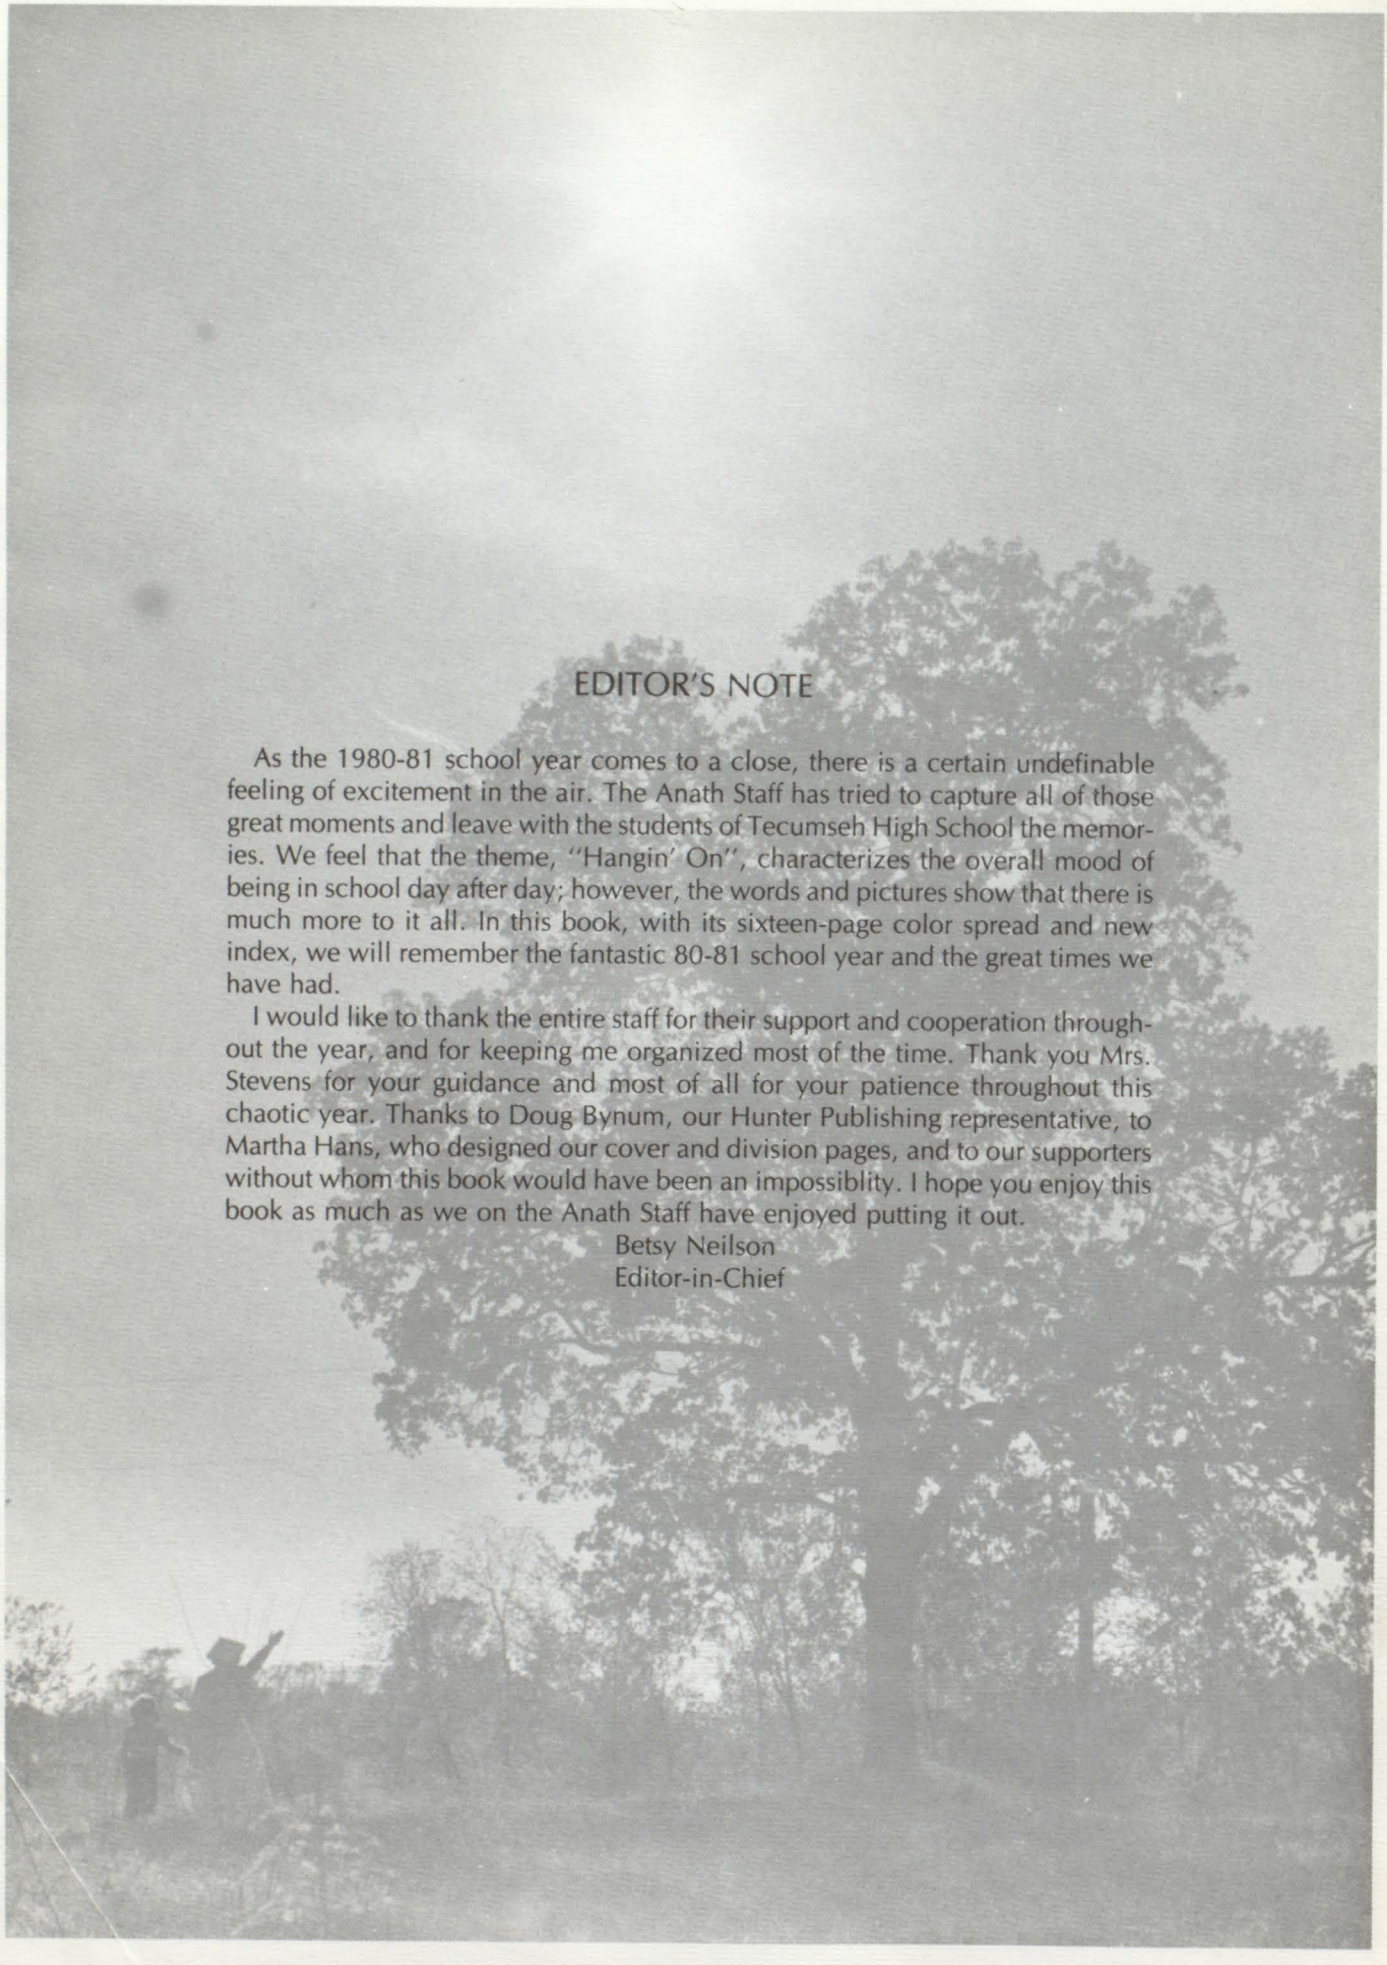
Tecumseh High will forever stand
In the memories of us all;
These exciting, eventful years will live
While others fade and fall.

We're proud of our school and the standards it has:
Honesty, courage, and truth;
Its bounties are given to all to share
To help train American youth.

We've seen events that have rocked the world,
And threatened our way of life.
Our thoughts and habits are changed today
Because of this war and strife.

We've trained ourselves for the task ahead,
And we'll see it through to the end;
For victory is ours to accomplish,
Democracy, ours to defend.

And now that our school days are over,
We go forward, courageous and free,
To meet the eternal challenge
Of the threat of our liberty.



EDITOR'S NOTE

As the 1980-81 school year comes to a close, there is a certain undefinable feeling of excitement in the air. The Anath Staff has tried to capture all of those great moments and leave with the students of Tecumseh High School the memories. We feel that the theme, "Hangin' On", characterizes the overall mood of being in school day after day; however, the words and pictures show that there is much more to it all. In this book, with its sixteen-page color spread and new index, we will remember the fantastic 80-81 school year and the great times we have had.

I would like to thank the entire staff for their support and cooperation throughout the year, and for keeping me organized most of the time. Thank you Mrs. Stevens for your guidance and most of all for your patience throughout this chaotic year. Thanks to Doug Bynum, our Hunter Publishing representative, to Martha Hans, who designed our cover and division pages, and to our supporters without whom this book would have been an impossiblity. I hope you enjoy this book as much as we on the Anath Staff have enjoyed putting it out.
